45 YEARS OF UW SPH

SPH ALUMNI CELEBRATION
Valerie Pacino

Celebrating after receiving top honors from HSERV as their best student for 2011-12
Enjoying their downtime by skiing in Utah (1978) and camping in the Cascades (1979).
A group of first year SPH students came together to race from Mount Baker to Puget Sound by foot, ski, bike and canoe. While they didn’t win, they beat a rival team of second-year MPH students. Tom Greer, Keh-Ming Lin, Richard Cummins, Tom Koepsell, and Larry Berger.
