

UNIVERSITY of WASHINGTON
SCHOOL OF PUBLIC HEALTH

**Directions to Public Health-Global Health
Major Advising at SPH Student Lounge
Health Sciences Building (HSB) F-332**

The Public Health-Global Health Major main office is located in the F-Wing of the Magnuson Health Sciences Building (HSB), Room F-332. The office is co-located with the SPH Student Lounge.

Walking from Upper Campus: Come through campus along, or cross over, Steven's Way in order to take what is the second (counting from 15th Ave. NE) foot bridge across the Burke Gilman Trail into the Health Sciences Building.

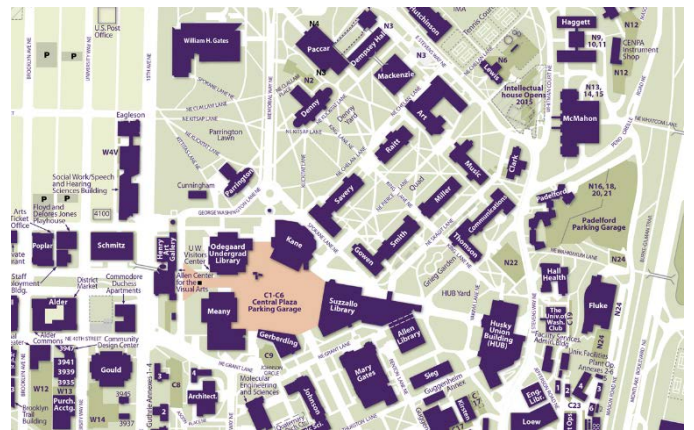

Walk straight into the building onto the 4th floor, pass a café cart, and take a RIGHT down the hallway.

Take a quick LEFT down the next hallway. You'll see signs point towards F-Wing, Public Health and South Campus Center.

Once you reach the end of the hall, take the elevator or stairs (white door across from elevators) DOWN one flight to the 3rd floor. On the 3rd floor, turn and walk back down the hallway (this time AWAY from the Soul Catcher logo on the wall) for about 10 feet and the office will be just off to your LEFT with an entrance surrounded in red.

Major Advising at SPH Student Center
Raitt Hall 229**

Starting Autumn 2014, undergraduate advisers for the PH-GH Major will spend part of their time in Raitt Hall 229 as part of the SPH Student Center.

Raitt Hall is on a corner of the central quadrangle, the Quad, between the Art building and Savery Hall.

Room 229 faces the Quad and is located on the NW corner closest to the Art building.

Please pay close attention to the location listed on our online drop in advising schedule or confirm your appointment location when scheduling with our office.
