

Welcome to the 21<sup>st</sup> Annual MPH Practicum Symposium & Reception

Wednesday, April 24, 2019, 3:00 – 5:00 p.m.  
HUB, South Ballroom 211B

The [MPH practicum](#) allows MPH students to take part in immersive, team-based work to address real-world public health challenges. This year we have **39 MPH scholar-practitioner-activists** presenting their practicum learning experience. The following programs and departments will be represented: Epidemiology, Global Health, Health Services, Nutritional Sciences, Public Health Genetics, and Environmental & Occupational Health Sciences.
