Where We Are: Year One of the 2020-2025 SPH Strategic Plan
Tracking Progress In Five Key Result Areas
Finding the Strategic Plan web page

From the SPH Home Page…
Actions We Are Doing—Then and Today

- Completed: Launching new Practice Council
- Completed: Moving to the new building and consolidating other collaborative spaces
- Completed: Implementing new SPH Faculty Compensation Plan
- Completed: Launching new MPH Common Core
- In Progress: Tracking Dashboards for Strategic Plan and EDI Roadmap
- In Progress: Anti-Racist trainings
- In Progress: Research Council establishing priorities
- In Progress: Updating and revising criteria for faculty promotion
- In Progress: Growing a faculty development plan
- In Progress: Identifying ways to breakdown organizational siloes for cohesion and coordination as one School
- In Progress: Creating measurement and evaluation criteria for Strategic Plan that will include hearing from all stakeholders (faculty, staff, students, alumni, external partners)
Year One Strategic Plan Baseline Survey

> Included questions about each of the **15 Strategic Plan outcomes**

> **636 participants** from staff, students, and faculty representing each of the departments and programs

> Will repeat in **Years 3 and 5** to monitor progress

The survey will be repeated in years three and five to see how things change, positive or negative. Should you have any questions about the survey, please reach out to our Manager of Strategic Initiatives, Kimberly Hay, at kfs3903@uw.edu. We will provide an update on the Strategic Plan during the May 19 webinar.

Thank you,

Hilary Godwin  
Professor and Dean,  
UW School of Public Health

Stephanie Farquhar  
Clinical Professor and Associate Dean for Evaluation and Improvement,  
UW School of Public Health
EDUCATION FOR LEADERSHIP AND TRANSFORMATION
Education for Leadership and Transformation

**Outcome 1**
UW SPH will offer consistent academic, professional, and personal support across all degree programs.

**Facilitator**
Juanita Ricks

**Strategies**
- Better coordinate and operationalize services for students
- Students access and use services

---

**Outcome 2**
UW SPH will adopt best practices for student financial support; defined as students having the support they need to complete their degree program.

**Facilitator**
Carey Farquhar

**Strategies**
- Develop and implement best practices for student financial support

---

**Outcome 3**
UW SPH will deliver high-quality evidenced-based education across all degree programs.

**Facilitator**
Carey Farquhar, India Ornelas

**Strategies**
- Optimize student and peer evaluations
- Support professional development opportunities for teaching faculty and TAs
UW SPH consistently offers our students academic and professional support across all degree programs.

Outcome 1: Consistent academic, professional, and personal support across all degree programs

Work in progress—establishing a baseline

> Student Services survey for students open until June 1 (drawing for prizes for completed surveys)

> Student focus groups underway until June 2 (thank you gift for participants)

> Introducing the Council for the Advancement of Standards in Higher Education
  – Framework for student services
Education for Leadership and Transformation—Baseline Survey Results

UW SPH DELIVERS HIGH-QUALITY EVIDENCED-BASED EDUCATION ACROSS ALL DEGREE PROGRAMS.

- Strongly Agree: Faculty 24%, Staff 17%, Students 40%
- Agree: Faculty 50%, Staff 37%, Students 42%
- Neutral: Faculty 9%, Staff 4%, Students 10%
- Disagree: Faculty 4%, Staff 1%, Students 5%
- Strongly Disagree: Faculty 0%, Staff 1%, Students 0%
- Don't Know: Faculty 13%, Staff 3%
Outcome 3: High-quality evidenced-based education across all degree programs

Work in progress in 3 main areas

> Optimizing student course evaluations
  – Guidance developed for instructors and programs
  – Center for Teaching and Learning workshops

> Promoting anti-racist teaching practices
  – Syllabi, evaluations, workshops

> Introducing hybrid and other pedagogical approaches
  – Build on remote teaching experience
  – Provide more flexibility for students
METHODS TO RESEARCH TO PRACTICE CONTINUUM
## Methods to Research to Practice Continuum

### Outcome 1
UW SPH will celebrate important work across the continuum from fundamental methodologies to the development and implementation of evidence-based strategies for understanding and changing complex health systems.

**Facilitator**
Ali Rowhani-Rahbar, Meghan Herman

**Strategies**
- School-wide conversation about defining success and impact across the continuum

### Outcome 2
UW SPH will continue to conduct cutting-edge work in methods and research, with priorities implemented according to a roadmap created by the SPH Research Council.

**Facilitator**
Lisa Manhart

**Strategies**
- Research Council develops priority research plan
- Work coordinates with SPH EDI roadmap

### Outcome 3
At UW SPH, deep collaborations among faculty, staff, students, and key stakeholders result in successful models of academic practice.

**Facilitator**
Janet Baseman

**Strategies**
- Create new Practice Council
- Expand practice collaborations across SPH
OUTCOME 1 - 2025 GOAL

UW SPH will celebrate important work across the continuum from fundamental methodologies to the development and implementation of evidence-based strategies for understanding and changing complex health systems.

CURRENT ACADEMIC YEAR (2020-21) MILESTONES

Key:  NOT STARTED  IN PROGRESS  COMPLETED

<table>
<thead>
<tr>
<th>Milestone</th>
</tr>
</thead>
<tbody>
<tr>
<td>• KRA team begins to define a School-wide list of faculty whose work bridges across at least two areas in the continuum of methods, research, and practice—and highlights those success stories</td>
</tr>
<tr>
<td>• KRA team works with Faculty Council to revise the Academic Affairs Handbook for faculty promotion criteria, giving better definition to success, and successful pathways, in the area of academic public health practice</td>
</tr>
<tr>
<td>• KRA team amplifies the stories of School faculty who are exemplars of currently working across the continuum of methods, research, practice</td>
</tr>
<tr>
<td>• Examples of promotion packets of individuals who have academic public health practice as part of their scholarship are available for sharing (with faculty consent)</td>
</tr>
<tr>
<td>• By end of SPR 2020-21, Faculty Council finalizes the academic public health practice revision in the faculty promotion criteria. School-wide discussions emphasize the equivalent value of rigorous academic practice to rigorous methods and research for faculty scholarship</td>
</tr>
<tr>
<td>• The KRA team, Faculty Council, and AHR revise the faculty promotion templates to include updated academic public health practice criteria for success</td>
</tr>

**Facilitator**  
Meghan Herman  
Juanita Ricks  
Uli Haller

**Strategies**
- Develop School-wide best practices for staff development and onboarding
- Provide greater stability of faculty salary support
- Innovate a new comprehensive faculty development plan
- Roll-out consistent services across the School
- Increase student involvement in decision making
- Develop a student-centered pedagogy
- Move into new space and consolidation of our work together
- Reconnect after COVID-19
- Faculty, staff, and students are thriving and connected, living public health in our School and in our community
REPUTATION AND VISIBILITY
Reputation and Visibility—UW Advancement

Alumni & Stakeholder Engagement

Fundraising/Resource Development

Marketing & Communications
Reputation and Visibility

**Outcome 1**
The reputation and visibility of UW SPH increases through use of a unified narrative across School communications which promotes the School’s strengths, expertise, and unique programs.

**Facilitator**
Megan Ingram

**Strategies**
- Develop a unified narrative of the School
- Establish guidelines, standards, and best practices for all types of communications

---

**Outcome 2**
Coordination and alignment of UW SPH and department and program marketing and communication activities are maximized, delivering more effective messages of real-world impact to all our audiences.

**Facilitator**
Megan Ingram

**Strategies**
- Develop shared marketing and visibility resources
- Maximize marketing and communication activities across the SPH

---

**Outcome 3**
Public audiences and alumni are meaningfully engaged in the UW SPH community and giving back financially.

**Facilitator**
Megan Ingram

**Strategies**
- Engage key audiences for the 50th celebration year
- Plan for unified alumni relations
- Further enhance fundraising efforts that benefit students
Reputation and Visibility—Year One

Process & Timeline

**Discovery**
- (Now-April)
  - Top 10 Audit
  - Baseline communications audit
  - Reputation survey

**Brand Narrative & Message Testing**
- (May - Sept)
  - Branding sessions
  - Brand narrative & key message development
  - Message testing
  - Message toolkit

**Operational Model**
- (June - Sept)
  - Survey of roles & responsibilities
  - Follow-up interviews
  - Model development sessions

**Communications & Marketing Plan**
- (Fall)
  - Strategy sessions
  - Plan drafting and review
Reputation and Visibility—Baseline Survey Results

EQUITY, JUSTICE, AND ANTI-RACISM
**Outcome 1**
The EDI Roadmap is implemented and our progress is shared with key stakeholders, increasing our visibility and reputation as a School that prioritizes equity, diversity, and inclusion.

**Facilitator**
Victoria Gardner

**Strategies**
- Implement, track, and be accountable for the SPH EDI Roadmap

---

**Outcome 2**
With guidance from community members, principles of anti-racism are adapted in our public health work.

**Facilitator**
Victoria Gardner

**Strategies**
- Define for SPH what it means to be anti-racist
- Create best practices for: Undoing Institutional Racism, Intergroup Dialogue, and Restorative Justice Training

---

**Outcome 3**
Structures and policies are in place at the School and improved to facilitate the recruitment and retention of underrepresented faculty and staff, especially those who identify as black and/or indigenous.

**Facilitator**
Victoria Gardner, Meghan Herman

**Strategies**
- Recruit and retain faculty and staff who are BIPOC
- Provide resources, opportunities, and funding for faculty and staff who are BIPOC
Equity, Justice, and Anti-Racism—Year One

OUTCOME 1 - 2025 GOAL

The EDI Roadmap is implemented and our progress is shared with key stakeholders, increasing our visibility and reputation as a School that prioritizes equity, diversity, and inclusion.

CURRENT ACADEMIC YEAR (2020-21) MILESTONES

Key:  ○ NOT STARTED  ● IN PROGRESS  ✔ COMPLETED

<table>
<thead>
<tr>
<th>Milestone</th>
</tr>
</thead>
<tbody>
<tr>
<td>○ Complete revisions to the 2019 EDI Roadmap and distribute School-wide</td>
</tr>
<tr>
<td>○ Finalize implementation plan for revised EDI Roadmap</td>
</tr>
<tr>
<td>○ Roughly one-quarter of the revised EDI Roadmap goals will be either in process or completed</td>
</tr>
</tbody>
</table>
Equity, Justice, and Anti-Racism—Year One

OUTCOME 2 - 2025 GOAL

With guidance from community members, principles of anti-racism are adapted in our public health work.

CURRENT ACADEMIC YEAR (2020-21) MILESTONES

Key:  ○ NOT STARTED  ● IN PROGRESS  ✔ COMPLETED

<table>
<thead>
<tr>
<th>Milestone</th>
</tr>
</thead>
<tbody>
<tr>
<td>● Continued progress to hire a director for the new ARCH (Center for Anti-Racism and Community Health)</td>
</tr>
<tr>
<td>✔ Establishment of student affinity groups</td>
</tr>
<tr>
<td>✔ Development of anti-racism trainings completed, preparations begun to offer across the SPH</td>
</tr>
<tr>
<td>✔ Continued offerings of new anti-racism training School-wide; goal to provide to at least 25 percent of SPH by the end of winter quarter (@ 650 people)</td>
</tr>
<tr>
<td>● Create measurement and evaluation plan for new anti-racism trainings</td>
</tr>
<tr>
<td>● Continued offerings of new anti-racism training School-wide; goal to provide to at least 50 percent of SPH by the end of spring quarter (@ 1,300 people)</td>
</tr>
</tbody>
</table>
Equity, Justice, and Anti-Racism—Year One

OUTCOME 3 - 2025 GOAL

Structures and policies are in place at the School and improved to facilitate the recruitment and retention of underrepresented faculty and staff, especially those who identify as black and/or indigenous.
