**SPH FACULTY DEVELOPMENT NEWSLETTER**

What to expect:

In an effort to streamline production, we've decided to distribute our faculty development newsletter on a bi-monthly basis. Here is what to expect in this edition:

- SPH Academic Affairs Revision Work
- Upcoming events and updates
- Faculty spotlight: Rabi Yunusa

Disciplinary Self-critique of Departments with ARCH Center	Examination of AAH using PHCRP by EDI subcommittee			

Value	Expectations	Promotion and Tenure Criteria (P&T)	P1: Expanding Handbook Activities	P2: Data Collection and Analysis

What's included now?	What needs to be added/modified?	Example Tables for each faculty track	P2a: Key Informant Interview with Faculty	P2a:Faculty Survey	P2b: AAH Revision

Curious about the SPH Academic Affairs Handbook?

The Academic Affairs Handbook has been long overdue for a review regarding its promotion and tenure practices. The Faculty Council worked with a newly created School of Public Health equity, diversity and inclusion handbook subcommittee to examine best ways to incorporate anti-racist, community engagement, and de-colonizing principles into the faculty handbook.

ITHS: Catalyst Awards
April 1 | Register here
The ITHS offers Catalyst Awards to provide "just-in-time" resources especially to early career investigators looking to complete a project or collect pilot data for a larger grant application.

Faculty spotlight

Rabi Yunusa

Yunusa, who is an assistant teaching professor of Global Health and Health Systems and Population Health, has made community-based work central to everything she does as a faculty at SPH. For her work, she received the 2024 Martin Luther King Jr. Community Service Award.
