Biraj Karmacharya builds ecosystems for public health

This UW Alumni has made a big impact on his community in Nepal by creating ecosystems for motivated people to transform public health, expanded hospital programs to serve rural populations and created the country's first-ever doctoral programs in public health to train future professionals.

Upcoming events and updates

MtM Workshop

Friday, August 9 | 9 - 12 p.m. | HRC, room 135

This is our invite-only workshop where we focus on best mentoring practices and view the role of mentor and mentee in a bi-directional and holistic sense. Unable to make it? Don't worry! Be on the lookout for the next workshop invite in January 2025.

SPH FDP Grant Writing Workshop

Friday, September 13 | 9a.m. - 5p.m. | HRC, 101

Join us for our first annual Grant Writing Workshop where we will be discussing NIH-specific grant logistics.

Funding opportunities

ITHS Catalyst Awards - Support Research Efforts of Investigators

Deadline: October 2024 | Apply here

ITHS Early Investigator Voucher Awards

Deadline: October 1, 2024 | Apply here

NICHD PDB active funding announcements

Here is a list of current NIH Population Dynamics Branch funding announcements. | Learn more

Washington LHS E-STAR training and mentorship

The LHS E-STAR Center provides an exciting opportunity for early-career scientists to receive training and mentorship to build their skills and experience in transforming primary care. | Click here for more information

NCFDD (Register: it's free!)

Fall 2024 Faculty Success Program

Registration ends August 28 | Online

This intensive online program is our most popular program. It helps tenure-track and tenured faculty with the skills necessary to increase research and writing productivity while maintaining a healthy work-life balance. UW Faculty Advancement, Dean's Office and Faculty Department are each committed to providing 1/3 of funding at no cost to the applying faculty member. Reach out to your department to find out more!

Panel Discussion: What I wished I would have Known as an Academic Leader and University Administrator

Tuesday, July 23 | 11 a.m. - 12:00 p.m. | Online

In this session, a panel of current and former university administrators will share their expertise and advice on academic leadership.

Cultivating Your Network of Mentors, Sponsors and Collaborators

Wednesday, August 14 | 11 a.m. - 12:30 p.m. | Online

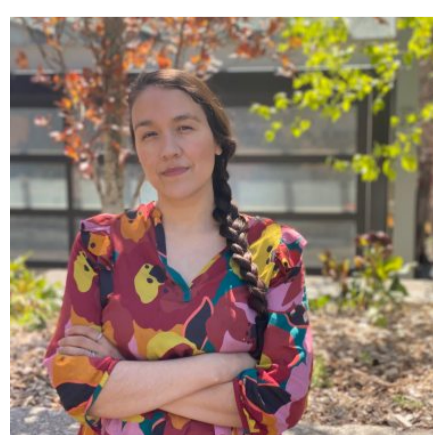

This webinar will help you map your current mentoring network, identify your unmet needs and plan how to expand your existing network to meet your current needs.

Navigating the Academic Job Market: Practical Tips and Strategies

Tuesday, August 27 | 11 a.m. - 12:30 p.m. | Online

In this live session, Drs. Rosie Perez, Yannick Kluch, and Ellen R. Fisher will share practical tips and strategies for navigating the academic job market.

Faculty Spotlight

Q&A with Jeanie Santaularia

Dr. Jeanie Santaularia discusses her recently awarded R01 grant through the National Center for Injury Prevention and Control.
