

**University of Washington School of Public Health**  
**Course Waiver Student Checklist**  
**for Courses Covering CEPH Competencies**  
**BA—Food Systems, Nutrition, and Health**

**STUDENTS ARE REQUIRED to ensure that all competencies noted below are accounted for to waive an applicable course.** If even one from the list below cannot be shown to have been included in prior course work, then a waiver cannot be granted for that course, and the required course must be completed.

**All Non-Public Health Degree students are required** to ensure that the 12 Foundational Public Health Knowledge Competencies ([CEPH 2024 Criteria](#)) are accounted for to waive any applicable course.

**CEPH Foundational Public Health Knowledge Competencies**
