

University of Washington School of Public Health
Course Waiver Student Checklist
for Courses Covering CEPH Competencies
Master’s—Health Administration

STUDENTS ARE REQUIRED to ensure that all competencies noted below are accounted for to waive an applicable course. If even one from the list below cannot be shown to have been included in prior course work, then a waiver cannot be granted for that course, and the required course must be completed.

All Non-Public Health Degree students are required to ensure that the 12 Foundational Public Health Knowledge Competencies ([CEPH 2024 Criteria](#)) are accounted for to waive any applicable course.

CEPH Foundational Public Health Knowledge Competencies

<input type="checkbox"/>	D1-1	HSERV 511	Explain public health history, philosophy, and values.
