## University of Washington School of Public Health Course Waiver Student Checklist for Courses Covering CEPH Competencies MPH—Occupational and Environmental Medicine

STUDENTS ARE REQUIRED to ensure that all competencies noted below are accounted for to waive an applicable course. If even one from the list below cannot be shown to have been included in prior course work, then a waiver cannot be granted for that course, and the required course must be completed.

**All MPH students are required** to ensure that the 12 Foundational Public Health Knowledge Competencies, the 22 MPH Foundational Competencies, and the five unique degree competencies (<u>CEPH 2024 Criteria</u>) are accounted for to waive any applicable course.
