

## MASTER OF HEALTH ADMINISTRATION

The Master of Health Administration program at the University of Washington trains the health care leaders of tomorrow. Designed for early career professionals, our two-year, full-time program will equip you with the leadership skills needed to launch your career in health administration.

At the UW, you'll earn your degree from one of the best programs in the nation. For decades, the UW MHA program has been a national leader in health administration training. It's consistently ranked as one of the top MHA programs in the United States by US News & World Report.

Once the application closes, we strive to provide a response regarding your application within three weeks of the January deadline. The most competitive applications will be invited to our Visit Day.

### ADMISSION REQUIREMENTS

- Bachelor's degree from a regionally accredited college or university in the United States, or its equivalent from a foreign institution
- A minimum 3.0 grade point average (on a 4.0 scale) for the last graded 60 semester credits or the last 90 graded quarter credits
- Demonstrated English language proficiency for applicants whose native language is not English
